It speaks well for Chamberlain's Cough Remedy
when druggists use it in their own families in pre-
ference to any other. "I have sold Chamberlain's
Cough Remedy for the past five years with com-
plete satisfaction to myself and customers," says
Druggist J. Golden, Van Kitten, N. Y. "I have
always used it in my own family both for ordinary
coughs and colds and for the cough following in-
fluenza, and find it very efficacious." For sale by
J. JAS. WOOD & SON, Druggists.

THE BEE HIVE FANCY SILKS!

AT GREATLY REDUCED PRICES.

This has been the largest silk season in the history of our store. We antici-
pated a great demand for silks and bought extensively. Of the former immense
stock we have still left about forty patterns in waist lengths of exquisite fancy
silks. We think it wise to dispose of these while the weather is still fit for silk
wearing, and if price and your good judgment count for what we think they will
not a one of these silks will be carried over until next season. The \$1.50 kind is
now \$1; the \$1 grade is reduced to 75c and so on down the list. It's a great silk
opportunity. Don't miss it.

THE PROPER THINGS IN UNDERWEAR.
We value our good reputation as handlers of proper Underwear for men,
women and children and our present large and varied stock will more than main-
tain it. Splendidly taped Neckwaists 5c; Neck and arm holes taped 3 for 25c; Lisle
Vests, silk taped, 15c, 25c and 50c; extra sized Vests as large as No. 10 15c and 25c.
Splendid qualities of Men's Balbriggan Underwear 25c and 50c. We carry a com-
plete assortment of Infants' and Children's Underwear from 10c to 50c a garment.

A WORD OR TWO ABOUT GLOVES.
Our one dollar guaranteed Kid Glove sells so rapidly that we seldom feel
a need to advertise it. It is the famous F. W. L. Glove and improves with each
season's output. In the undressed kid the Duprey at \$1.50 and in the dressed kid
the La Rome at the same price are masterpieces of the glove maker's art. Both
guaranteed.

Her.... Majesty's Corset

MAKES WOMEN SHAPELY.

Slender women, stout women, all sorts of women are made to look shapely
and graceful when their bodies are encased in Her Majesty's Corset. This is be-
cause these celebrated corsets are moulded on the lines of perfect living models
and by retaining their shape everlastingly give to the wearer the same splendid
contour as the model possessed.

If you would be shapely wear Her Majesty's Corset.

THE MAN BEHIND THE PICK.

There has been all sorts of gush about
the man who is "behind—"
And the man behind the cannon has
been toasted, wine and dined.
There's the man behind the musket
and the man behind the fence;
And the man behind his whiskers
and the man behind his rents;
And the man behind the plow-beam,
and the man behind the hoe,
And the man behind the ballot, and the
man behind the dough,
And the man behind the counter, and
the man behind the bill,
And the man behind the pestle, and the
man behind the pill.

And the man behind the Jimmy, and
the man behind the bars,
And the Johnny who goes snooping on
the stage behind the stars,
And the man behind the kisser, and
the man behind the fist,
And the man behind the gun is on the
list,
And the man behind the bottle, and
when they were short of men,
There was some small rhymester
warbled of the man behind the pen;
But they missed one honest fellow,
and I'm raising of a kick.
That they didn't make a mention of the
man behind the pick.

Up the rugged mountain side, a thou-
sand feet he takes his way,
Or as far into the darkness from the
cheering light of day,
He is shut out from the sunlight, in the
glimmer of the lamps;
He is cut off from the sweet air in the
sickly fumes and damps;
He must toil in cramped positions, he
must take his life in hand,
For he works in deadly peril that few
can understand;
But he does it all in silence, and he
seldom makes a kick,
Which is why I sing the praises of the
man behind the pick.

He unlocks the bolted portals of the
mountains to the stores,
Hid in nature's vast exchequer, in her
treasure house of ores;
He applies a key of dynamite and
gates are backward rolled,
And the ancient rocks are riven of their
secret heart of gold.

Things of comfort and of beauty and
of usefulness are mined,
By the brave and quiet worker—he's a
friend of humankind,
Who, though trampled down and un-
paid, toils on without a kick,
So I lift my hat in honor of the man
behind the pick.

The Ladies' Missionary Society of the
Baptist Church at Lewisburg will
give a Strawberry and Ice Cream sup-
per Saturday evening at the home of
R. J. Gaither in Lewisburg. Refresh-
ments served from 4 to 10:30 p. m.

Yesterday was a fairly good day for
"events." There was County Court, a
public sale, Democratic Convention, a
meeting of the Fair Company, and a K.
of P. District Meeting, all in daylight;
the K. P. meeting and banquet, Board
of Council, Hayswood Commencement,
Haymakers and Bowling Club at
night;—and the fun of it was that THE
LEDGER man was "expected" to be on
hand at each place. Not being as nu-
merous as the man who killed Goebel,
he couldn't quite reach.

A friend sends THE LEDGER a lot of
names, headed simply, "Names of Mas-
son County Boys Who Fell." Now,
THE LEDGER, under ordinary circum-
stances, is a pretty fair guesser; but it
can't tell whether these boys "fell"
down stairs, fell off a hay-wagon,
merely "fell by the wayside," or
whether they fell in battle, and if the
latter, whether they fell on the Federal
or Confederate side, or in Mexico,
Cuba, the Philippines or in South
Africa. If our friend will furnish a
little bit of definite information, THE
LEDGER will be glad to print the list.

HAYSWOOD SEMINARY.

Closing Exercises Last Evening of
This Well Known Institution.

An audience taxing the capacity of
the First Presbyterian Church assem-
bled last evening to witness the closing
exercises of Hayswood Female Sem-
inary.

Promptly at 7:30 Miss Blatterman
opened the program with the Vienna
March, a brilliant selection, to which
the pupils and teachers of the Seminary
entered the edifice and took the front
seats, which had been reserved for them.

The Rev. J. O. A. Vaught asked God's
blessing on the occasion and the benedi-
ction upon His people assembled.

The charming program, which was
published yesterday, was then started
and to say it was enjoyed is a mild ex-
pression to use, the excellent musical
numbers, both vocal and instrumental,
contributing greatly to its success.

The graduates, Misses Aline Tupper
Mitchell, Judith Allene Glascock and
Imogene Kenyon Ficklin, were beau-
tifully toiletied and to them the honors
of the evening were directed.

Their essays, which closed their
Seminary career, were fine efforts and
bespoke very great care on the part of
the teachers who had them in charge.

The address of Dr. W. C. Roberts of
Center College was a beautiful tribute
to womanhood, and incidentally a
strength to young men.

The Church had been most elaborately
decorated for the exercises and the oc-
casion throughout was characterized by
great brilliancy in every department.

McKinney, Bracken county, and James
Crain, Fleming county.

passes.

The Maysville Fairgrounds were
rented for the occasion.

Mr. Harry C. Curran was unanimously
selected as Assistant Secretary-Treasur-
er. The Secretary-Treasurer was or-
dered to sell all privileges as in his dis-
cretion he thought most advantageous.

It was ordered that the Chair, the
three Vice-Presidents and William Lut-
trell be a committee to solicit donations
for the Fair, and it was left discretion-

that relief came as soon as I began its use and a
complete cure speedily followed." Sold by J. Jas.

Does It Pay To Buy Cheap?
A cheap remedy for coughs and colds is all right
but you want something that will relieve and
cure the more severe and dangerous results of
throat and lung troubles. What shall you do?
Go to a warmer and more regular climate? Yes,
if possible; if not possible for you, then in either
case take the only remedy that has been intro-
duced in all civilized countries with success in se-
vere throat and lung troubles, "Boecher's Ger-
man Syrup." It not only soothes and stimulates the
tissues to destroy the germ disease, but always in-
flammation, causes easy expectoration, gives a
good night's rest, and cures the patient. Try one
bottle. Recommended many years by all drugg-
ists in the world. For sale by J. C. Pecor.

MATTINGS

There are Two Varieties, the
"China" and the "Cotton Warp."

The latter is finer in texture, more flexible and is made in more
elaborate designs. It is a little more swell in effect.
The lowest priced China Matting we have is 12½c. It is
reliable. There is no economy buying lower priced matting.
Other prices are 15c, 19c, 25c up to 35c, depending on quality.
The patterns are all choice.

The Cotton Warp Matting.....
.....Costs 20c, 25c up to 50c.

The medium priced ones even are in beautiful designs and
furnish every effectively.
Our Matting has been carefully selected for durability,
fine patterns and choice colors.
The final merit of Mattings is of course handsome
and correct style. The first point is quality and prices are
always right.
